

Summit ISF Pricing Agreement

1) Automated ISF Filing Processing- (Customer provides either a PO Upload with ISF elements via Lognet or the E-Cargo Web Entry Form) See Exhibit 1

Under Customer Bond \$20
Under Summit's Bond \$40

2) Manual ISF Filing Processing Entry- (Customer provides the ISF data elements completed on the Summit ISF form either by email or fax. This completed form must be submitted to Summit along with the Shipping Instructions.) See Exhibit 2

Under Customer Bond \$30
Under Summit's Bond \$50

(Max 10 HTS numbers/lines of entry. Additional lines will be charged at \$ 2.00 per line)

NOTE: We may receive requests from importers, brokers and other third parties to fill in ISF data and email/fax the forms back to that ISF filer. We should **only** entertain these requests if we are in any way involved in the transaction. By that I mean we are providing consolidation services and thus would be able to provide the following data elements;

- Container Stuffing Location (LG)
- Consolidator's Name and Address (CS)
- HBL Number/SCAC Code

Any deviations to the above pricing would require Senior Management approval
